

P-Shape Victorian conservatories

Classic

- Quality internally beaded 70mm sculptured profile with option of 525mm dwarf wall, full height or fielded panels
- Two top opening vents as standard (additional vents available)
- 28mm double glazed toughened safety glass throughout
- Attractive diamond bevel and leadwork available to both opening & fixed toplights
- Shootbolt locking to opening vents and French doors
- 25mm multi-wall opal polycarbonate roof sheets (other colours available)
- French doors with flag hinges & multi-point locking
- Roof pitch 25° (Victorian section) 21° (Lean-To section)

Bespoke

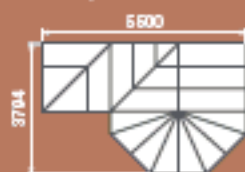

- Full design service to tailor-make the conservatory to any dimensions (including other dwarf wall heights)

All conservatories (Classic & Bespoke) available in White, Rosewood on White, Rosewood & Light Oak. Full range of optional extras available.
